

Members of B Btry, Fires Sqdn, 2 Stryker Cavalry Regiment gather around a laptop computer to watch DVD movies.

Operation Support Our Troops (OSOT) is collecting new and used DVD movies (no copied DVDs, please) to send to our Troops deployed overseas. When their "day is done", whether that be after 8 hours, 24 hours, 48 hours or longer, they appreciate being able to relax in their Morale, Welfare and Relaxation (MWR) facility and watch a movie or play a video game. They have watched the movies they have to the point where they can recite the movie scripts by heart! We would like to be able to send them a new batch of movies for their viewing enjoyment.

If you would like to set up a donation box in your local video store, please contact Sheryl Sheaffer at (425) 868-5075 or sheaffers@comcast.net for more information.

Simply purchase a new or used DVD movie and OSOT will get it sent to our Troops in Iraq and Afghanistan for you!

This is a three week residential summer camp is based on some of the same techniques and exercises from real Military Basic Training programs allowing the campers to experience what it is like to be in the military. It is perfectly suited for boys who lack confidence or who are exhibiting behavioral problems at home or in school - but is equally fun, enjoyable and educational for any boy with an interest in the outdoors and community service.

The program will run in a wilderness setting with minimal modern conveniences where campers will be challenged to field exercises, building their own shelters, preparing their own food and encouraged to participate in physical and mental competitions that will build their confidence, self respect and learn teamwork.

The last day to sign up for the Camp Victory Wilderness Challenge is May 15.

Early registration is strongly recommended to ensure your child has the opportunity to experience this one of kind summer camp. For families registering before April 15th a discount will apply.

Space is limited so families interested in wishing to enroll their son to participate in the 'Camp Victory Wilderness Challenge' should register today.
