CLUB ELECTIONS—NOMINEE PROFILES

Candidates for the position of Treasurer

Michael Roberts, incumbent-

I am the current Treasurer of the First Florida Chapter, MVPA. I manage a construction company with a five million dollar budget and 20 employees. I hold a degree in construction management. My motto is "if it's not broken don't fix it". I have been your Treasurer for the past two years and would be happy to remain your Treasurer for the 2012-2013 term. Thank you.

Michael Roberts

"I need a couple guys what don't owe me no money for a little routine patrol."

Carol Scoglio, Member of the First Florida Chapter and the MVPA since 1999.

My husband Joe and I joined our first car club back in 1987 and currently are members of 6 car clubs. I was President of the Kingdom of the Sun Region of the Antique Automobile Club of America from 1992 to 1999. I have been employed as a book keeper since 1999 with detailed full charge duties and experience that would pertain to all financial matters of the First Florida. I have a high level of computer skills and own the appropriate accounting software currently used by the Chapter.

I submit several articles a year to the Southern Outpost as a "Cub Reporter". My husband and I routinely drive our military vehicles to other regional areas of the state for events and meetings including "overnighters". We currently own four military vehicles, with most of the restoration work performed by my husband Joe. We also display radio communications / Signal Corps militaria at several events throughout the state.

I will apply all standard accounting practices to the money matters of the Club and will attend to all incoming cash flow and reimbursement requests weekly. I will conduct all financial issues for "the good of the Club". I hope to have your confidence in my abilities to perform the duties of the FFC Treasurer and ask for your vote either in person or with your absentee ballot. Thank you

Carol Scoglio
