

PROGRESS REPORT— STAN KINMONTH'S GPW PROJECT

The jeep made great strides these past two weekends. Canvas items arrived Thursday. Biggest thing remaining is the windshield; the seats just bolt in (passenger -2bolts, driver-3 bolts, rear no bolts, just clips in). I will stencil the hood and bumper-ets this coming weekend and install a few remaining small parts. Stan (sent via e-mail 8 Aug 2011)

SOUTHERN OUTPOST September/October

MANEUVERS
