Ellington, GA. Christmas Parade

By Jim Butler

Photo by Jim Butler

We were a little short on vehicles for the Ellington Christmas Parade this year but Kevin (Luke) Vislocky, the head of our Florida Spy Division came all the way up from Havana with his CUCV to fill in. We were hoping there were no fires in the area as every fire truck in South Georgia was there! This is one of our better Parades because we only moved three times and it is short. Hope everyone is staying warm. Jim
