

THE SQUAWK BOX

The following was sent via e-mail by new FFC Member, Buddy Bryan to Russell Deese:

Russell,

Just wanted you to know that all of us enjoyed the Tallahassee Parade. Van was elated to see his picture on the front of the Tallahassee paper Saturday. Sorry I had to leave early. Unlike some folks, I have to pay my guys for helping with the equipment and they go on overtime at noon on Friday. However, I am trying to cut a deal with 3 of them about helping get the equipment down to Belleview in February. I took your advise and filled out an application (Associate Membership so I could get ID badges for my truck drivers). I will mail it to Grady Parris tomorrow. I almost went last year and wanted to take the tank. I didn't know how the other Members would feel about an M5A1 replica but we will find out in Feb. Buddy

The following was sent via e-mail by Member Carol Scoglio:

Dick,

Good morning-

We just received the latest newsletter. It is standard policy that an editor never alters any submissions for publication, except for offensive material and typos. Therefore, I am stymied as to the alterations to the article that I submitted for the Camp Craven weekend. If you didn't have enough space, then you should have said so and held it until the next newsletter. But to rename the article and leave out more than half of it is absolutely unacceptable. At least I am giving you the benefit of the doubt and assuming it was a space issue, and nothing else. What other possible explanation could you have? Surely the content isn't your prerogative to change?

Please reprint my article in it's entirety in the next newsletter. I also expect a printed apology and explanation to accompany the article in that same newsletter. Carol Scoglio.

Carol,

I am sorry you are displeased with the way your article turned out. I e-mailed you a heads up but I guess you never got the message.

I make every effort to put out a quality publication with no loose ends. I also try to optimize the use of available space. To reach these goals sometimes requires adding, deleting or modifying the material available.

In order to minimize the occurrence of similar situations in the future, all issues will include guidelines for Members to follow when submitting articles. I have also stated my position on editing articles to fit (which has always been, to my knowledge, the policy with this newsletter.)

They've Earned Their Place in History

WILL YOU HELP THEM PRESERVE IT?

*Carrying supplies to Gettysburg.
Taking wounded from the trenches of Ypres.
Bringing reinforcements to Bastogne.
Landing troops at Inchon.
Patrolling around Nha Trang.
Moving into Basra.*

Historic military vehicles were present at each battle and every turning point of history. They've earned their place.

But their reminder of the commitment, the sacrifice, may be lost without you.

Whether you own, aspire, or simply respect the history they represent, join the MVPA to further their legacy. Help promote access to vehicles and parts, vital materials for restorations, and preserve their place as lessons of history.

Join today and keep history in motion!

THE SUPPLY ROOM

SUPPLY ROOM ads are free to Members and non-members but are limited to 100 words and one photo per ad. This section is intended for persons who have an occasional item (s) for sale. Occasionally I will publish ads from other newsletters which may be of interest to Members. Ads will run for two consecutive issues and then be dropped. If you wish to extend an ad, please let me know as soon as you can. Business card ads are \$10.00 for six issues for Members and \$20.00 for six issues for non-members.

Ads should be type written (less chance for me to make an error). E-mail to d-deren@tampabay.rr.com or U.S. mail to Dick Deren, 6528 Summerfield Loop, New Port Richey, FL. 34655.
