First Coast Car Council

Member Stan Kinmonth e-mail about his participation in the First Coast Car Council's annual car show in Jacksonville, Florida, held on Saturday 25th of August. Stan writes: Lily and I took the jeep and the TR6 to the annual First Coast Car Council Car show this past Saturday. As you can gather from the article below, the jeep got a lot of attention; my Triumph, which had two sponsors, didn't get mentioned.

Here is an excerpt from the newspaper article: A short distance from Putwain's Jaguar was Stan Kinmonth, who had one of the most unique displays in the show. Kinmonth was proudly showing off his 1942 vintage GPW World War II authentic Army Jeep, equipped with mostly original parts and a mock machine gun. Kinmonth, who lives on Fleming Island, happily verified the vehicle's authenticity, pointing out the embossed "F" on everything from fenders down to bolts. Go to <http://jacksonville.com/news/metro/2012-08-26/story/car-and-truck-show-draws-thousands-jacksonville-landing> to read the article and view photos of Stan's GPW.

Women at War

Member Pierre Izarie sent in a series of photos from the Belgian Military Vehicle Trust's Women at War outing which was held at Fort Lantin, Liege, Belgium the 2nd thru the 5th of August 2012. There are over 50 photos of restored WWII vehicles as well as re-enactors and of course the women at war. I hope I got the info correct as everything is in French! Here is the link to view the photos. (good looking vehicles and good looking women!)
