### **From the Secretary**

A few years ago, the club decided to stop issuing laminated ID badges every year. The last batch went out without a year on them; intending that they be kept and used year after year.

If you have an ID without a year on it, and it's in good shape, this message is not for you. However, if you are a new member or a member whose badge is tattered, please email a request for a badge to me. I will compile a list between now and April 31; at which time I will run off a batch of badges. Please note this is to minimize scrap from the laminating process.

Also, If you have previously requested a new / replacement badge **PLEASE RESUBMIT** your request.

My email: [stantr6@comcast.net](mailto:stantr6@comcast.net)

Please put FFC-ID in the subject line

Thanks,

Stan Kinnonth, Secretary
