14 September 2013 - Chris Jones with Ormond in the Pines here again! We will be putting on another special event in September to once again support Outward Bound for Veterans. We will be putting on a classic car show and sock hop on September 14, 2013 in the afternoon. We will be awarding cash prizes for various categories (best in show, best engine, etc.), plus trophies and ribbons. We have been given some great prizes to raffle off, plus we will be doing a 50/50 raffle. For each vehicle registered, you will receive a BBQ for two and there is a suggested donation of just \$5.00 for anyone extra in your party. We will also have live entertainment during the event. The cost to enter is just \$25 per vehicle if you register before the day of the show and \$35 day of the event. We hope to see you on the 14th and if you would like more information, please email me or give me or Jodi Wilmot a call at 386-676-7463. It would be great to have some classic military vehicles on site! I have attached the flyer for the event and I hope that you folks can make it out on this special day to help us help our veterans.

2014 EVENTS

June 2014 - This Military couple is looking for someone in our club to bring a Jeep to their wedding. This may be a random request but I'm hoping you might have some insight! My fiance and I will be getting married in June of 2014 in Key Largo, FL. We were hoping to use an old-school Military Jeep for the day of the wedding. Do you have any idea where we might be able to find one - or even perhaps someone we can get in touch with who may know? This is a huge desire for us as my fiance served in the Army for 7 years (82nd, 173rd) and both of our fathers were in Vietnam (101st Airborne) and of course - we love our Jeep! Any advice is appreciated! From a fellow Jeep owner and enthusiast, Thank You regardless. Contact Casey McAuliff @ cemcauliff@yahoo.com if you can help them.

SOUTHERN OUTPOST

From the Secretary

A few years ago, the club decided to stop issuing laminated ID badges every year. The last batch went out without a year on them; intending that they be kept and used year after year.

If you have an ID without a year on it, and it's in good shape, this message is not for you. However, if you are a new member or a member whose badge is tattered, please email a request for a badge to me. I will compile a list between now and April 31; at which time I will run off a batch of badges. Please note this is to minimize scrap from the laminating process.

Also, If you have previously requested a new / replacement badge **PLEASE RESUBMIT** your request.

My email: stantr6@comcast.net

Please put FFC-ID in the subject line

Thanks,

Stan Kinnonth, Secretary
