PRESIDENTS REPORT

Things seem to be pretty quiet. I think it might be the hot weather. I hope everyone is doing well. I heard John Booth had to have surgery on his foot. John we hope you are doing well.

I know their is not a lot going on with this hot weather but this weekend is the 4th and we have parades to do please go and have a great time but don't get to hot. There is a bit of news, Charley Hildebrant and his son Glen attended the national. Charley called and told me he went to the members meeting.

Here is some of the items I found interesting. The national will start moving their meetings around the country. They may even come to our rally to have a meeting. There was also some talk about the possibility of having a national in our area. This is something I would like everyone to think about. It would be a huge undertaking for this club but I think it would be great to host a National.

The next meeting will be August 8, in Green Cove springs at the Museum. We will have an air-conditioned room for the meeting. The meeting will be at noon. The club will provide PIZZA for lunch. Please let us know if you will be attending the meeting so we can have enough PIZZA.

In other news a few weeks ago Charley Hildebrant and I went to visit Alan and Melody Byers at their camp in the Ocala National Forest. Alan said lets go for a trail ride and he took us on a ride through the forest in his 151 we had a great time. THANKS AGAIN Alan.

That's about it for now. Please Pray for our troops safety, and I hope to see everyone at the Meeting.

**Thanks,
Dave.**
